

From One Leader to Another

By Michelle Hearn

You are obviously passionate about two things if you have opened this Beautiful Lies Leader's Guide - the Word of God and helping women grow in the Lord. First let me say that you are greatly treasured in the body of Christ and the Lord deeply cherishes you. All of the effort, study, and prayer that you put into your group does not go unnoticed. The Lord sees every task and hears every prayer of those in leadership. He will use those who are willing to serve others and bless them abundantly in the process.

This study of the world's lies and God's truths written by Jennifer Strickland is nothing short of amazing. Get ready for the Lord to blow your socks off! As you learn how much He loves you, you won't help but fall in love with Him even more than you thought possible. Be prepared to go deep and be vulnerable with your ladies. They will only go as far as their leader models for them.

The biggest tips I can give you when it comes to leading is to PRAY, relax, and let the Lord do His thing! Just love on your ladies and listen to their hearts. The Lord will always be faithful in providing you with what you need to say when you need to say it (2 Peter 1:3).

I look forward to meeting you in Glory to hear what the Lord did as He met with you through the Beautiful Lies Study. Brag on Him every chance you get! He is worthy of all your praise.

Until we meet,
Blessings to you!
