

## Counseling Referrals

---

If you could benefit from additional help in working through issues that are holding you back from experiencing freedom and fulfillment, counseling can be a wonderful avenue for you. Some issues are best tackled with the help of a professional therapist. Remember there are local crisis centers open 24/7 near you. We welcome you to make use of the following referrals – counseling is well worth it because you and your loved ones are well worth it!

### **New Life Ministries Counseling Network:**
